Bids were taken for thirty computers, scanners, printers and driver's license readers with the lowest being the state bid from PCM-G for \$68,383.24.

The computers will need to be installed in each vehicle. The only places to have the computers and equipment installed are in Memphis, Little Rock and at Paragould Communications in Paragould. Due to each car needing to be taken and left until the mounts can be installed, delivering the cars to Little Rock or Memphis would be very time consuming and expensive for the city. Therefore competitive bidding needs to be waived to use the local company.

Paragould Communications has submitted a quote for thirty docking stations at \$27,631.51, thirty computer mounts for \$17,821.51 and installation fees for \$3,270.00; for a total price of \$48,723.02.
