

**REOPENING OF COMMUNITY CENTER AND INDOOR AQUATIC CENTER FOR EXERCISE USE
ONLY JULY 6TH, 2020**

The City of Paragould has tried very hard to be proactive with the Covid-19 Virus. We will continue to do so by taking precautionary measures while reopening the Community Center and the Indoor Aquatic Center. All the safety measures we are taking for our patrons are also being done throughout the state in the other Parks Departments. We are following the restrictions put out by the Governor of Arkansas for Phase 2.

Reopening of Community Center and Indoor Aquatic Center:

- When entering the building all patrons for the walking track and aquatic facility must enter and exit through the front foyer.
- Patrons must have mask on except while exercising. (We encourage walkers to wear a mask while walking.)
- Walking will be limited to the gym area only for social distancing reasons.
- Patrons must keep the 6 ft social distancing.
- Patrons will be asked name and contact number and will have their temperature taken when entering the building. Anyone with a temperature of 100.4 degrees or higher will be asked to leave.
- Hand sanitizer will be placed throughout the facility.

We will open the gym for walkers only! There will be a limit of 12 walkers in the gym at a time. We will have one-hour slots per walker.

The Indoor Aquatic Center will be restricted to one person per lane. It will be used for exercise only. The Therapy Pool will be open for 3 patrons at a time. The restrooms will be open but the showers will be closed. Be dressed to swim when entering the building. We will have staggered times so one group can exercise and depart the facility before the next group enters. This will allow our staff time to disinfect the areas between usage.

We will open the racquetball courts following the same guidelines. Only one player per hour in each court.

We will open room rentals for small meetings. Patrons must maintain 6 feet social distancing.

Facility hours will be Monday – Friday 6:30am – 8pm and Saturday and Sunday 10:30am – 5:15pm.

Outside Park Areas:

- All outside walking tracks are open.
- All playgrounds are open with a 12 child per time limit.
- Reynold's Park Pavilions are available for rentals.
- RV pads are available for rentals for self-contained trailers only.
- Baseball and softball leagues have started.
- All outside restrooms are open.

The Senior Citizens Center will not be reopened at this time. They will continue to deliver the home bound meals and the grab-n-go meals Monday – Friday. We are still trying to continue precautions for our most vulnerable population.

All indoor basketball courts at the Community Center and Labor Park will remain closed for basketball play. The outdoor Water Park and Labor Park Splash Pad will remain closed.

We must still educate the public on maintaining a healthy environment as we ease into Phase 2. We still encourage our community to wear their masks, wash their hands frequently and keep their distancing. Doing these simple tasks can help to keep our community with low numbers of Covid-19 cases.

Walking and Swimming Time Slots

Monday – Friday

6:30am – 7:30am

7:45am – 8:45am

9:00am – 10am (Group Exercise Class Time Only)
